CORPORATE OVERVIEW

STORAGE SOLUTIONIST

Donnegan Systems was established in 1976 and is a storage solutions provider offering space planning and innovative storage solutions. We handle various industrial, distribution, manufacturing, office, public safety, agriculture, higher education, healthcare, and commercial projects in the New England and Eastern New York markets.

Donnegan Systems is a leader in providing value-added storage solutions to our customers by creating a successful partnership with them throughout the entirety of the project. We pledge to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the Donnegan Systems team.

OUR MISSION

Dedication to providing quality products, technical and management services to our customers. We will strive to implement a long-term relationship with our clients based on safety, quality, timely service, and anticipating their needs. To help fulfill this mission, we will treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost-effective work execution.

TESTIMONIAL

We are very pleased with the start-to-finish process that Donnegan had provided. The system operates exactly as promised and I am very pleased how everything went.

I want to give high praise to ALL the individuals who were here on site getting the system up and running. They were extremely courteous and showed up on time when they were expected. Communication was flawless with the crew when it came to giving status updates. In today's given workforce pool, Donnegan definitely has some great employees!

— *Production Manager*

The end result is a system that fulfills all of my requisites and perfectly fits all of our delicate inventory. To say I am thrilled with the end product is an understatement - I am over the moon with how great this experience has been.

Thank you all so much for your help and for providing such superior products and service!
